

Celena Kim

Business Intelligence Junior Analyst

As a Business Intelligence Junior Analyst at Gresham, Celena supports the firm's data and technology initiatives.

Celena joined Gresham in 2026 as a Business Intelligence Junior Analyst. In her role, she supports major data and reporting initiatives, including the d1g1t migration project, and works closely with teams to enhance data accuracy, operational efficiency, and internal workflows.

Prior to joining Gresham full-time, Celena was a member of Gresham's inaugural internship cohort, completing two terms as a Business Intelligence Intern.

Outside of work, Celena enjoys crocheting, playing guitar, dancing, attending concerts by her favorite artists, and fostering adorable cats.

EDUCATION BACKGROUND

- B.A., Data Science, Northwestern University
