

Brayden Bennell

Senior Client Service Associate

As a Senior Client Service Associate at Gresham, Brayden Bennell leads the day-to-day operations, financial modeling, and support for complex family relationships.

Brayden partners with Advisors to develop and implement customized asset allocations and wealth transfer strategies for clients. With a strong commitment to client success and a track record of delivering prudent macroeconomic advice and guidance surrounding estate planning, Brayden is dedicated to helping individuals and families achieve their financial goals with confidence and peace of mind.

Prior to Gresham, Brayden worked at J.P. Morgan Private Bank as a Banker.

Outside of work, Brayden is an avid whiskey fan with unique barrels being aged at two separate distilleries. He enjoys playing tennis, finding new restaurants to visit, and procuring his country music playlist.
