

## Jayden Olson

### Client Service Analyst

As a Client Service Analyst at Gresham, Jayden provides support to the entire Client Service Team by working hand in hand with Associates to ensure excellent management of client accounts and investment decisions.

Jayden joined Gresham in 2024 as a Client Service Analyst. Her role includes assisting client relationship management, managing custodial accounts, executing investment transactions, and handling client paperwork.

Prior to joining Gresham, Jayden interned in retail marketing and business intelligence for an insurance agency.

Jayden loves traveling both internationally and domestically, spending time outdoors hiking, running, or swimming in lakes, and going to art museums.
