Jetta Golembiewski

Reporting Operations Analyst

Jetta brings over two years of business reporting experience to her role as Reporting Operations Analyst at Gresham. With a focus on business reporting and an understanding of data analytics and technology, Jetta drives impactful business reporting capabilities to innovative stakeholder decision-making.

Jetta joined Gresham in 2026 as a Reporting Operations Analyst. Assisting the Reporting Operations team, Jetta plays a pivotal role in Gresham's client reporting processes while assisting various projects and technological developments such as the transition to D1g1t.

Before joining Gresham, Jetta held a Junior Data Analyst position at Marmon Foodservice Technologies.

Outside of work Jetta enjoys spending time with friends and family, traveling, finding new food spots, and will soon hold her certificate to instruct Yoga Sculpt.
