

Kyra Czesny

Senior Business Intelligence Analyst & Project Manager

As a Senior Business Intelligence Analyst & Project Manager at Gresham, Kyra leads projects across the firm and works with internal teams to advise on and implement process improvements.

Kyra joined Gresham in 2021 as an Investment Operations Business Analyst. In her current role, she uses her experience in business analysis to work with internal teams to evaluate and improve processes so they more closely align with Gresham's business goals. Kyra also oversees a wide range of projects across the firm, including system migrations, vendor conversions, and process implementations.

Prior to joining Gresham, Kyra worked as a business analyst in the Project Management Office at Jenner & Block LLP.

Outside of work, Kyra can be found conquering the kitchen with her culinary experiments or embarking on a quest to discover the hidden wonders of Chicago with her husband and their four-legged food critic, Lola.
